## Universal Stacking Kit for washing machine & tumble dryer

*The solution to save space in the laundry area*

### CHARACTERISTICS

The **Wpro universal stacking kit** is the **perfect solution to save space in the laundry area**. Thanks to its high quality and robust structure, it allows to stack the dryer on the washing machine in **total security**. **Easy to install without any tool**, it is suitable for all appliances of **60 x 60 cm**. To stabilise the installation, the stacking kit comes with a belt to place around the two appliances. **Practical**, its slide-out shelf allows to load, unload and fold laundry without bending over and **can support up to 10 kg**.

It includes the following accessories: 8 adhesive antisliding rubber pieces, 4 plastic rigid platelets, 1 "Safe-in-lock®" belt with tensioner and 1 belt cover.
