Whirlpool Heat Pump Tumble Dryer: Freestanding, 9,0kg - HSCX 90430

This Whirlpool Tumble Dryer features: outstanding 9kg drum capacity, so you will never run out of space. Elegant screened door design. Innovative technology ensuring extra silent performance. Steam drying, for delicate, hygienic drying action that reduces wrinkles and freshens your items. Heat pump technology that effectively re-heats the air in the appliance, significantly reducing energy consumption.

6TH SENSE Technology

6th Sense automatically detects the amount of laundry and sets the right drying cycle time, guaranteeing the desired dryness level, with time and energy optimization.

SenselInverter Motor

A highly energy efficient motor working at variable speed, allowing more advanced performances and thus special care for fibers.

Steam

Delicate care. The SteamCare option provides delicate, hygienic drying action that simplifies ironing and freshens your laundry.

9kg capacity

All the space you need. With an outstanding 9kg drum capacity, this Whirlpool Dryer provides all the space you need for your laundry.

Very quiet

Enjoy the silence. This Whirlpool Dryer is designed to provide ideal results, while functioning at very low noise levels, so you can enjoy some extra peace and quiet.

Energy Class A++

Improved energy efficiency. With its A++ energy rating, this Whirlpool Dryer will allow you to enjoy both ideal results and very low energy consumption.

Premium design

This Whirlpool Dryer's outstanding design features ensure it will become an eye-catching addition to your home.

Big Items program

Extra spacious-your laundry gets all the space it needs. And with the Big Items program even the bulkiest loads will be perfectly dry

Anti-crease

The Anti-crease option adds a crease treatment at the end of the cycle by tumbling periodically the garments, reducing the fixing of the creases.

Gentle drying

Gentle treatment of the laundry with a lower drying temperature

MAIN FEATURES

Product group	Dryer
Commercial code	HSCX 90430
GTIN (EAN) code	8003437474507
Construction type	Free-standing
Installation type	Free-standing
Removable work top	No
Loading type	Front loader
Main colour of product	White
Electrical connection rating (W)	950
Current (A)	13
Voltage (V)	240
Frequency (Hz)	50
Length of Electrical Supply Cord (cm)	150
Plug type	UK
Height of the product	855
Width of the product	596
Depth of the product	659
Depth with open door 90 degree (mm)	1113
Net weight (kg)	47

TECHNICAL FEATURES

Automatic programmes	No
Moisture monitoring system	Yes
Adjustable drying temperature	No
Progress indicator	Yes
Digital countdown indicator	Yes
Start delay options	Continuous
Start delay time max. (h)	12
Blocked filter indicator	Yes
Full tank indicator	Yes
Quick dry	No
Anti-crease function	Yes
Drum volume (l)	121
