

LONG LIFE

Antiscalcing action

For all washing machines and dishwashers

Helps to prolongs the life of appliances

10 years guarantee on magnets

Anti-limescale magnet (box version)

The optimal solution to prevent limescale formation

CHARACTERISTICS

The Wpro professional **Anti-limescale Magnet** helps to **reduce the build up of limescale** on the heating element of the appliances. As the water passes through the powerful **20.500 Gauss magnets**, the calcium molecules are prevented from forming into limescale resulting in **less build up on the heating element without the use of chemicals**.

The magnet helps to **decrease energy consumption and detergent usage**. It also **optimizes washing results** for laundry and kitchenware. It is **easy to install** on **any brand** of washing machine, washer dryer or dishwasher.
