

# KEBES 60010

12NC: 851350301100

GTIN (EAN) code 8003437221637

**KitchenAid**

## MAIN FEATURES

|                                         |                                     |
|-----------------------------------------|-------------------------------------|
| Product group                           | Hood                                |
| Colour body                             | Inox                                |
| Material body                           | Stainless steel<br>antifinger print |
| Colour chimney                          | N/A                                 |
| Material chimney                        | N/A                                 |
| Typology                                | Manual                              |
| Installation type                       | Built-in                            |
| Type of control                         | Electronic                          |
| Type of control settings                | -                                   |
| Decor panel options                     | N/A                                 |
| Motor location                          | Integrated motor in<br>hood body    |
| Operating Mode                          | Convertible                         |
| Electrical connection rating (W)        | 315                                 |
| Current (A)                             | 1,4                                 |
| Voltage (V)                             | 230-240                             |
| Frequency (Hz)                          | 50/60                               |
| Length of Electrical Supply Cord (cm)   | 150                                 |
| Plug type                               | Schuko                              |
| Chimney height (mm)                     | 0                                   |
| Height of product, without chimney (mm) | 386                                 |
| Height of the product                   | 379                                 |
| Width of the product                    | 524                                 |
| Depth of the product                    | 379                                 |
| Minimum niche height                    | 0                                   |
| Minimum niche width                     | 0                                   |
| Niche depth                             | 0                                   |
| Net weight (kg)                         | 6.8                                 |

## TECHNICAL FEATURES

|                                                         |                             |
|---------------------------------------------------------|-----------------------------|
| Type of manual control devices                          | Touch control               |
| Type of automatic control devices                       | -                           |
| Number of motors                                        | 1                           |
| Total power of the motors (W)                           | 275                         |
| Number of speed settings: boost option availability     | 4                           |
| Boost presence                                          | Yes                         |
| Maximum output air extraction (m <sup>3</sup> /h)       | 669                         |
| Boost position air extraction (m <sup>3</sup> /h)       | 669                         |
| Maximum output recirculating air (m <sup>3</sup> /h)    | 400                         |
| Boost position output recirculating (m <sup>3</sup> /h) | 400                         |
| Light Control Type                                      | On/Off                      |
| Number of lights                                        | 2                           |
| Type of lamps used                                      | Halogen                     |
| Total power of the lamps (W)                            | 40                          |
| Diameter of air outlet (mm)                             | 150                         |
| No-return airflow flap                                  | Yes                         |
| Grease filter material                                  | Washable stainless<br>steel |
| Odour filter                                            | No                          |

## PERFORMANCES

|                                        |    |
|----------------------------------------|----|
| Sound power at min. speed (2010/30/EU) | 56 |
| Sound power at max. speed (2010/30/EU) | 70 |
